

Kristine De Young

Kristine De Young has been a resident of the Arden Arcade community since 2008. She grew up close to the Arden Arcade area, in Carmichael, and graduated from Sacramento State with a degree in Communication Studies. Kristine is a Performance Analyst for the State of California and is studying public administration at the University of Southern California's State Capital Center in Sacramento. She is mom to a child who attends school in Arden Arcade and they frequently enjoy the Fulton-El Camino parks and facilities.
