SOFTBALL

Summer Registration Begins May 22

SUMMER SOFTBALL AT FEC: It's where the action is!

Mother Nature was not a fan of softball this spring and a number of games have been re-scheduled. That said, we will catch up!

Please note that the staggered starts for each night and division as you prepare to register for summer. Start nights are determined by Holidays and rain outs and the majority of teams like to keep going without a number of days before the start of the next league.

The District continues to work hard to ensure that the softball fields and surrounding areas of the park are something to be proud of. The Park Maintenance Staff is still playing catch up after all the rain we received but the fields are getting better every week.

There is going to be a quick turn around for the summer league so please start preparing for it now. Enjoy the rest of the season and I will see you all soon!

Sincerely yours in Recreation,

Softball 101: "I never questioned the integrity of an umpire. Their eyesight, yes."
Leo Durocher
